

Dear Parent/Guardian,

RE: Youth Empowerment Summer Camp

Thank you for permitting your child to participate in the upcoming Youth Empowerment Summer Camp. We are thrilled about the opportunity to organize this camp for our youth.

The past year and a half has been a challenge in a variety of ways for many, with isolation arising from social distancing and other restrictions due to the Covid-19 outbreak. It is our ardent hope that this camp will signal a resumption of some form of normalcy and provide a positive space for youth to come together to celebrate, learn and have some fun. The two-day camp will consist of activities where participants will learn about the importance of teamwork, leadership and the practice of virtues in a fun, exciting and meaningful way.

In view of this, we would like to take the opportunity to invite you to attend the dinner on Day One and join us for a short presentation about the Youth Empowerment Program which will begin later this year. It would be a pleasure to have you present at this session, to share and learn how we can better serve our youth as they embark on this journey of empowerment towards a healthy and bright future. The dinner will begin at 6:00pm on Day One and the presentation will be held right after, at 7:00pm.

We look forward to seeing you and to continue engaging in conversations to create opportunities and provide resources for the empowerment and well-being of youth in the community.

Sincerely,

The Organizing Team

Youth Empowerment Summer Camp 2021.
